

Procedures for citizen comments

- Please stand at the podium near the large screen and speak into the microphone.
- Begin by stating your name and address.
- You are limited to three minutes. The presiding officer may allow extra time at their discretion.
- Direct your remarks to the entire city council. Personal attacks on councilmembers, staff, or members of the public are not allowed.
- It is inappropriate to use this time to make political speeches. This includes threats of political action.
- The council will generally not engage in a debate or dialogue during this section of the agenda. They may refer the matter to staff or ask that it be scheduled on a future agenda, if necessary.
- You are not allowed to comment on the same subject more than two times within a 12-month period. The presiding officer has the right to make this determination.
